We're ringing the changes

Your route-by-route
guide to the new
look network for
Barnsley & beyond!

FROM 20 MAY 2007, WE'LL BE OPERATING A **NEW LOOK BUS NETWORK** IN BARNESLEY, AND ACROSS THE DEARNE VALLEY

We're doing this because you've told us you aren't satisfied with the standard of service we've been providing.

We acknowledge that our bus services have been unreliable and poor in quality and presentation and we want to put this right. Essentially you need a bus network which is reliable, clean and affordable.

Stagecoach Yorkshire is committed to delivering this by simplifying bus routes, refining timetables and continuing to improve vehicle cleanliness and quality via ongoing investment in more, low-floor vehicles.

The aim of this leaflet is to provide you with a summary of the changes, as well as a route-by-route list of every change being made. That way if you travel on a specific bus route, you'll be able to understand exactly what is happening.

WHAT OUR CHANGES MEAN TO YOU

- SIMPLIFIED BUS ROUTES
- REFINED TIMETABLES
- IMPROVED VEHICLE CLEANLINESS
- MORE LOW-FLOOR BUSES

We'd recommend you keep this leaflet handy and if you're in any doubt, or need more information, please make sure you:-
